### FEMALE CHC RESIDENT LATEST FATALITY OF COVID-19

CUMBERLAND, MD – The Allegheny County Health Department reports that the county’s death toll from COVID-19 is now at 13. The latest victim to succumb to the virus was a female resident of Cumberland Healthcare Center.

To date, there have been 128 confirmed cases of COVID-19 in Allegheny County. Five new cases were reported since Saturday evening, including one resident of Sterling Frostburg Village and four community members. The community cases involve a male and female in their 60s, a male in his 70s, and a female in her 20s.

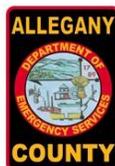

As of today, 1,038 Allegheny County residents have undergone testing for COVID-19, with 128 positive, 884 negative, and 26 tests pending.
